

The next time you travel, park your car safely near the airport.
Take the FastTrack shuttle to and from the airport.

THANK YOU!

You just donated to the CHIP IN FOR A CURE CHARITY!

You can help raise money for CHIP IN FOR A CURE the next time you park your car at our BRADLEY FastTrack Airport Parking locations.

FastTrack/AviStar, the nation's largest airport parking company in the country is open 24 hours a day 7 days a week with safe and secure lots. FastTrack has agreed to donate 10% of your total bill to the CHIP IN FOR A CURE to help raise money for breast care research and programs at Hartford Hospital and St. Francis Hospital and medical center

FastTrack has 3 convenient locations near Bradley International Airport—all locations are on Route 75 Ella Grasso Turnpike. (91 to Exit 40, second Exit Suffield/Poquonock, then take a right at the end of the ramp).

Costs are \$10.49 per day for valet parking and \$5.50 for self parking. Our CHIP IN FOR A CURE discount is 10% off.

In these tough times most charities are left with very limited funds and feel the pain of the current economic decline. At Avistar/Fasttrack, we are implementing a **"Give Back to Our Community"** program as we believe giving back to the community where we live and work in should be the responsibility of every company in the area.

P.S. You may forward this email or document to any friend or family member.

CFCU

Lower cost...Off-airport parking costs substantially less than daily on-airport parking or car services. Plus our discount program allows you to save even more.

Less time...Off-airport parking makes it easy to get to your flight. A shuttle coach takes you from your car to the terminal.

More amenities & services...FastTrack offers many additional services, including Premier Parker loyalty program, express check out, valet service, car care services and emergency vehicle assistance...
